LoginScreen & Register currently planned to be a separate Activity from the rest
Important: Student & Tutor share the same Home Fragment, this is because they very similar UI (contracts are the same for both).
TutorCreateBid will have logic that can adjust UI to Open/Close Bidding

Open
Close
Open Bids last for 30 minutes. If no tutor matches the bid or the student fails to select a counter bid, the latest tutor offer will be chosen and the bid will close.
Unlike Open Bids, Close bids can last up to a week. Both parties can send private messages to negotiate the bid.

Redirect to My Bids after Posting
Redirect here to let student see new contract
If Accept Student Bid, Redirect here to let tutor see new contract
Accept Bid immediately forms the contract without student's confirmation, this is to prevent student selecting another counter-bid as per requirements
Sending a counter bid redirects to tutor's My Bids Page

You
Hey I was wondering if you could maybe lower the rate to $16?
Matthew Khoo
Sure, I'll make another bid for you to accept
You
Thank you
